Resolution n°

990519-ED-0272

Revision: On an as need basis

1.0 Tutoring of Students During Regular School Hours

- 1.1 Within the framework of the regular school day, the schools of the Sir Wilfrid Laurier School Board will provide opportunities for students to avail themselves of remedial assistance. Further, the School Board appreciates that teachers work conscientiously to help groups of students and individual students with their learning problems and frequently spend time beyond the normal school day in this effort. However, the School Board recognizes that neither the Board nor an individual student or parent has a right to demand assistance from teachers outside the normal working day.

2.0 Tutoring of Students Outside School Hours

- 2.1 The Sir Wilfrid Laurier School Board recognizes that there are students who, from time to time, will need remedial assistance. Some students may need to obtain individual tutoring outside the school hours.
- 2.2 In the Sir Wilfrid Laurier School Board, it is unacceptable for a teacher to tutor on a paid basis any student who is a member of that teacher's regular class he/she is currently teaching.
- 2.3 The Board believes it to be generally unwise for a teacher to tutor on a paid basis a student attending the school in which he or she teaches.

- 3.1 Parents may engage a tutor directly without contacting the Principal of the school.
